Bareilly, Uttar Pradesh • +91 9058015952 • kumarshivam130606@gmail.com

SUMMARY

Enthusiastic B.Tech (IT) student with a solid foundation in programming and web development. Skilled in HTML, CSS, and JavaScript, with hands-on experience creating responsive projects like a Netflix and Spotify clone. Passionate about learning new technologies and solving real-world problems through code. Eager to start my professional journey and contribute to innovative development projects.

EXPERIENCE / PROJECTS

Spotify Clone — Personal Project

📱 HTML | CSS | JavaScript

- Created a functional and responsive music player interface.
- Added interactive play/pause controls and modern UI styling.

Calculator — Personal Project

📱 HTML | CSS | JavaScript

- Built a simple calculator with real-time calculations.
- Focused on smooth animations and a clean, user-friendly design.
